Fifteen years of stages. A lineup that fits your room, your crowd, and your budget.

Nick Rains is a Nashville-based performer with a 1,000-song repertoire spanning Nashville & Texas country, rock singalongs, and modern alternative hits — read to the crowd, not run off a script. Solo and duo dates travel with a complete wireless Bose PA: one power outlet, a 6′×6′ corner, set up in under 30 minutes.

For bigger nights the act scales to a trio, quartet, five-piece full band, or a seven-piece Nashville Extended lineup with steel guitar and fiddle. One booking contact, professional players, two years of distillery-circuit residencies behind it.
